Mr. McLerran:

Thank you for the invitation and meeting to your EPA offices in Seattle at the end of last week. It was rewarding and enjoyable to Jason and myself. I look forward to following up on details that we spoke of during the meeting. Would you be so kind initially as to provide me with the names and titles of the other meeting participants? Sorry I don't have cards to reference. This will allow me/us to summarize our meeting notes and correspond appropriately with those who attended the meeting.

I look forward to following up and especially after our meeting to Washington DC with the EPA folks there.

Regards,

Tiel
